NOTICE TO SHIPOWNERS AND AGENTS.

INCORRECT CHARTS.

THE attention of the Board of Trade has frequently been called to cases in which British vessels have been endangered or wrecked through Masters attempting to navigate them by means of antiquated or otherwise defective Charts.

The Board of Trade desire, therefore, to direct the especial attention of Shipowners and their Servants and Agents to the necessity of seeing that the Charts taken or sent on board their Ships are corrected down to the time of sailing. Neglect to supply a Ship with proper Charts will be brought prominently before the Court of Inquiry in the event of a wreck occurring from that cause.

NOTICES TO MARINERS.

A Monthly Summary containing all the Notices to Mariners received at the Board of Trade during the preceding six months, respecting any alterations in Lights, Buoys, or Beacons, any newly-discovered danger, or any alterations in, or additions to, the Admiralty Charts, is published by the Board of Trade on the 1st of each month.

A Supplementary Summary containing all information received at the Board of Trade subsequently to the date of publication of the last Monthly Summary is also published on or about the 7th, 14th, 21st, and 28th of each month, and oftener when necessary.

Copies of these Summaries are supplied at all the Mercantile Marine Offices in the United Kingdom to Masters of Foreign-going Ships, and at all the Custom Houses to Masters of Home Trade and Coasting Vessels, free of charge.

Copies of the Monthly Summary are also sent to the Government Shipping Offices at each Colonial and Indian Port, and to the British Consulate at each Foreign Port, for the inspection of Mariners who may not be in possession of the latest Summary.

In addition to the above, all the Notices to Mariners, immediately they are published, are posted at all the Mercantile Marine Offices and Custom Houses in the United Kingdom for the inspection of Mariners and others interested.

If these Notices are disregarded by Masters, Owners, and Agents of ships, the responsibility rests with the parties who neglect to make use of information gratuitously offered and abundantly circulated.
